SUPREME COURT OF THE UNITED STATES,

Washington, D. C., February 10, 1930.

Dear Chief Justice:

We call you Chief Justice still, for we can not quickly give up the title by which we have known you for all these later years and which you have made so dear to us. We can not let you leave us without trying to tell you how dear you have made it. You came to us from achievements in other fields and with the prestige of the illustrious place that you lately had held, and you showed in a new form your voluminous capacity for work and for getting work done, your humor that smoothed the rough places, your golden heart that has brought you love from every side, and, most of all, from your brethern whose tasks you have made happy and light. We grieve at your illness, but your spirit has given life an impulse that will abide whether you are with us or are away.

Affectionately yours,

Hon. William H. Taft.

UNITED STATES SUPREME COURT

Washington, D. C., February 12, 1930.

My dear Brethren:

I can not adequately say how deeply I am touched by your affectionate letter. I regretted for many reasons the necessity of tendering my resignation, but none so strong as the ending of those pleasant associations with each and all of you, which during the past nine years have been so dear to me. Only the advice of my doctors and my own conviction that I would be unable to continue adequately the great work of the Court, forced me to leave you. That work, in your hands, will go on as well without me, but I am grateful, nevertheless, for your words of appreciation.

Sincerely yours,

(Signed) Wm. H. Taft.

D E C R E E.

These Causes came on to be heard upon the pleadings, evidence, and the exceptions filed by the parties to the Report of the Special Master, as well as on the exceptions filed to the Report of the Special Master on Re-reference, and were argued by counsel. The Court now being fully advised in the premises, and for the purpose of carrying into effect the conclusions set forth in the opinions of this Court announced January 14, 1929, (278 U.S. 367), and April 14, 1930,

It is now here Ordered, Adjudged, and Decreed as follows:

1. On and after July 1, 1930, the defendants, the State of Illinois and the Sanitary District of Chicago, their employees and agents, and all persons assuming to act under the authority of either of them, be and they hereby are enjoined from diverting any of the waters of the Great Lakes-St. Lawrence system or watershed through the Chicago Drainage Canal and its auxiliary channels or otherwise in excess of an annual average of 6,500 cubic feet per second in addition to domestic pumpage.

2. That on and after December 31, 1935, unless good cause be shown to the contrary, the defendants, the State of Illinois and the Sanitary District of Chicago, their employees and agents, and all persons assuming to act under the authority of either of them, be and they hereby are enjoined from diverting any of the waters of the Great Lakes-St. Lawrence system or watershed through

the Chicago Drainage Canal and its auxiliary channels or otherwise in excess of an annual average of 5,000 cubic feet per second in addition to domestic pumpage.

3. That on and after December 31, 1938, unless good cause be shown to the contrary, the defendants, the State of Illinois and the Sanitary District of Chicago, their employees and agents, and all persons assuming to act under the authority of either of them, be and they hereby are enjoined from diverting any of the waters of the Great Lakes-St. Lawrence system or watershed through the Chicago Drainage Canal and its auxiliary channels or otherwise in excess of the annual average of 1,500 cubic feet per second in addition to domestic pumpage.

The amount so diverted is to be determined by deducting from the total flow at Lockport the amount of water pumped by the City of Chicago into its water mains and as so computed will include the run-off of the Chicago and Calumet drainage area.

5. That the defendant the Sanitary District of Chicago shall file with the clerk of this Court semi-annually on July first and January first of each year, beginning July first, 1930, a report to this Court adequately setting forth the progress made in the construction of the sewage treatment plants and appurtenances outlined in the program as proposed by the Sanitary District of Chicago, and also setting forth the extent and effects of the operation of the sewage treatment plants, respectively, that shall have been placed in operation, and also the average diversion of water from Lake Michigan during the period from the entry of this decree down to the date of such report.

6. That on the coming in of each of said reports, and on due notice to the other parties, any of the parties to the above entitled suits, complainants or defendants, may apply to the Court for such action or relief, either with respect to the time to be allowed for the construction, or the progress of construction, or the methods of operation, of any of said sewage treatment plants, or with respect to the diversion of water from Lake Michigan, as may be deemed to be appropriate.

7. That any of the parties hereto, complainants or defendants, may, irrespective of the filing of the above-described reports, apply at the foot of this decree for any other or further action or relief, and this Court retains jurisdiction of the above-entitled suits for the purpose of any order or direction, or modification of this decree, or any supplemental decree, which it may deem at any time to be proper in relation to the subject matter in controversy.

And it is Further Ordered that the costs in these cases shall be taxable against the defendants.

The Clerk submitted the following reports:

To the Honorable,

The Supreme Court of the United States.

REPORT OF THE CLERK OF ACTION TAKEN UNDER THE ORDER OF THE COURT DATED JUNE 3, 1929.

Pursuant to the order of this Court dated June 3, 1929, further report is respectfully submitted to the Court regarding the collection and disposal of costs in the cases of State of North Carolina vs. State of Tennessee, No. 4, Original, October Term, 1916, and State of Louisiana vs. State of Mississippi, No. 11, Original, October Term, 1905.

As directed by said order effort to settle these cases was continued, the result of which, together with the recommendation of the Clerk in respect to one of the cases, are respectfully submitted to the Court as follows:

State of North Carolina vs. State of Tennessee.

No. 4, Original, October Term, 1916.

In this case payment of $3,428.97, the full amount due from the State of Tennessee, was received from Edgar J. Graham, Comptroller of that State, on September 25, 1929. This amount, together with a balance of $2,612.26 on deposit with the Clerk, showed a total sum of $6,041.23 credited in the case. Deducting therefrom the amount of Clerk's costs due, $1,055.20, the remaining balance of $4,986.03, representing settlement in full of the amount due to the State of North Carolina, was paid to the Treasurer of that State on October 3, 1929.

I have, therefore, to report this case as closed on the books of the Clerk.

State of Louisiana vs. State of Mississippi.

No. 11, Original, October Term, 1905.

In this case correspondence has been conducted with the proper State officers of the State of Mississippi in the continued effort to collect the sum of $5,694.70 due from that State. The State being without available funds with which to meet this obligation, it is necessary to resort to its Legislature for an appropriation of that sum of money before payment can be made. The Legislature of Mississippi convened on January 7, 1930. A bill was drafted and presented to it at the beginning of that session by the Attorney General of the

State, accompanied by his written request, addressed to the Appropriations Committee, urging passage of the bill at that session. (Copies of the bill and request were filed with the Clerk of this Court.)

Subsequently, inquiries have been addressed to the Attorney General who, from time to time, advised no action had been taken upon the bill. His latest communication upon this subject is a telegram received this day, (May 17th), which is quoted, as follows:

"Bill appropriating money pay costs case Louisiana versus Mississippi has not passed State Senate (stop) Legislature adjourns May seventeenth very doubtful whether bill can be passed (stop) Legislature meets again January nineteen thirty two.

J. A. Lauderdale, Assistant Attorney General."

As settlement of this case is dependent upon payment by the State of Mississippi of the amount due from it, and in anticipation that funds for such payment will ultimately be procured by legislation, to which end continued effort will be exerted, the Clerk respectfully recommends that the Court order a further extension of time, of sufficient duration, to permit him to continue his effort to settle this case.

Very respectfully,

May 17, 1930. Charles Elmore Cropley, Clerk.

To the Honorable,

The Supreme Court of the United States:

SUPPLEMENT TO REPORT OF THE CLERK OF ACTION TAKEN UNDER THE ORDER OF THE COURT DATED JUNE 3, 1929.

In re: State of Louisiana v. State of Mississippi,

No. 11, Original, October Term, 1905.

The Report of the Clerk in relation to this case was dated May 17, 1930, and based upon information furnished by the Assistant Attorney General of Mississippi by telegram received upon that date, which telegram is quoted in that Report.

Subsequent inquire, addressed to the Assistant Attorney General, was answered by telegram received May 21, 1930, quoted as follows:

"Appropriation bill Louisiana versus Mississippi did not pass (stop) Bill will be reintroduced at January nineteen thirty-two session.

J. A. Lauderdale, Assistant Attorney General".

A letter was received from the Assistant Attorney General on May 23, 1930, quoted in part as follows:

"* * * * * * * * *

I will be more than glad to do what I can to get this bill re-introduced and passed at the next session of the Legislature.

This session of the Legislature has not yet finally adjourned, but a Concurrent Resolution has been passed, agreeing that no further legislation would be considered at this session. * * * * * *"

The Clerk, therefore, reports to the Court that it appears highly improbable that funds to pay costs due in this case will be available to the State of Mississippi prior to action by its Legislature at the January 1932, session.

In view of the assurance of the Attorney General's Office of the State of Mississippi that the bill will be re-introduced at the next session of the Legislature, the Clerk respectfully re-states his recommendation that the Court further extend the time, direct him to continue his effort to settle this case and make further report to the Court before the close of the October Term, 1931.

Very respectfully,

May 23, 1930. Charles Elmore Cropley, Clerk.

SUPREME COURT OF THE UNITED STATES

October Term, 1929.

To the Honorable,

The Supreme Court of the United States:

REPORT OF THE CLERK RESPECTING COSTS NOT COLLECTED IN CERTAIN CASES DISPOSED OF IN THE OCTOBER TERM, 1928, AND PRIOR TERMS, AS SHOWN IN THE ANNUAL AUDIT OF THE CLERK'S ACCOUNTS, DATED OCTOBER 6, 1929.

Pursuant to the direction of the Court a report is respectfully presented respecting certain cases disposed of by the Court during the October Term, 1928, and prior terms, in which costs have not been collected, as indicated by the annual audit of the accounts of the Clerk, dated October 6, 1929.

The audit shows $2,424.53 as costs due the Clerk in 137 cases. Of this amount $683.16, representing the entire costs due in 36 of these cases and a portion of the costs due in 2 additional cases, has been collected.

In 33 (including the two partially collected) cases in which costs amounting to $678.25 are due and have not been collected, correspondence is still open and the success of efforts to make further collection seems probable.

In the remaining 68 cases diligent effort has been made to collect costs due without success. The information obtained or conditions indicated by this effort would seem to justify the Clerk in reporting the costs due in these cases, amounting to $1,063.12, as uncollectable. These cases fall within four general classifications. The following table shows the apportionment of the costs among these classifications and the terms in which they accrued:

1. Personal injury cases in which the corporation prevailed in this Court and the private party is without funds. (Costs accrued during October Terms, 1922, 1923, 1924, 1925, 1926, 1927, and 1928)	$200.05
2. Cases in which the losing party is a bankrupt, individual or corporation. (Costs accrued during October Terms, 1918, 1923, 1924, 1925, and 1927).	281.60
3. Criminal cases; deportation cases; or cases in which the party owing costs has no funds. (Costs accrued during October Terms, 1914, 1918, 1922, 1923, 1924, 1925, 1926, and 1927).	414.17
4. Cases in which counsel have died or removed; parties have died or removed and efforts to reach either, or their representatives, have failed. (Costs accrued during 1922, 1923, 1924, 1925, 1926, and 1927 Terms).	167.30
	$1,063.12

The foregoing conditions in respect to the cases in which costs due have not been collected are respectfully reported to the Court with the recommendation that an order be entered by the Court directing the Clerk to further hold the 33 cases in which there appears probability to make collection of costs by continued effort, and that the order of the Court authorize the Clerk to charge off on his books the costs due in 68 cases, specified in the list attached to this report, in which costs are deemed uncollectable, without, however, interfering with the force and validity of the charges therein contained, if collection hereafter in any of these cases proves to be possible.

Very respectfully,

May 19, 1930. Charles Elmore Cropley, Clerk.
